

Provisions for Learners with Disability

- 1 The provisions are available for theory examinations only and not in practical examinations.
- 2 A written request along with **Medical Certificate** indicating the nature and extent of disability from a **Government Hospital** is required to be submitted at the time of registration for a specific examination.
- 3 All applications must reach the Regional Centre, Pune four weeks before the commencement of the first day of Secondary and Sr. Secondary public examination. This is to eliminate any possibility of fraud in the flexibilities provided under General and Specific Provision (Disability-wise) of NIOS and thereafter misuse of the same.

NIOS is ever-ready to provide all possible means to empower differently-abled people and never compromises on the same.

- 4 In case of On Demand Examination (ODE) the learner has to arrange a Writer/Amanuensis. However, only one hour extra time is allowed for the examination and no other facilities are available in NIOS ODE Exam.
